Fresh Water Gale Causes the Loss of a Heavily Laden Barge and Serious Accident to the Fannie Lewis-The Belle St. Louis Will be Raised.

One of the Sam Roberts's barges was sunk, about five o'clock Tuesday atternoon, at the foot of Island 40 (Redmond's point). She sensation presented nightly at Lenbrie's The- | was caught by the wind, which drove her into ater by the Handwerker orchestra. The music is supposed to describe the advance of the | a leak. The wind was so strong as to render patrol from a distance, relieving guard, and the handling of the heavy tow imposs then marching away, the music dying out After getting out from the bank again, the gradually until it is lost to the ear. The wild Roberts came on down several miles before the extent of the damage was ascertained. The barge was beached as soon as poss and it is thought that most of her freight can be saved. Her cargo consisted of seventeen hundred barrels of flour, a big lot of hay and other produce. The Roberts continued her State medical society, sat down upon the voyage to New Orleans with the remainde of her tow yesterday afternoon. Captain Dogan, of the Eckert, who was in

RIVER ACCIDENT.

the city when the news came of the wreck of the barge at Redmend's point, took the Ka-tie Hooper up there yesterday afternoon to see what could be saved of her freight. During the storm which prevailed at five clock Tuesday morning, the Fannie Lewis, which was coming up from Vicksburg bound for St. Louis, was blown into a rack-heap down about Mhoon's landing, some fifty miles below here. One of the "channel ornaments" so conspicuous in every part of the river below Cairo now, prejected through her starboard guard, up through the cookhouse and pantry, playing a Pinafore chorus with her queensware and

hours in repairing. She came on to Memphis, where she discharged her big cargo of Memphis stuff.

Captain Reese Dugan reported yesterday that he had succeeded in building bulkheads on the Belle St. Louis on deck and in the the steam cotton-gin of J. L. Cody was destroyed by fire, as was also some twenty bales gin to day. He is sanguine of raising her if the river don't rise on him too fast. The pilot box of the St. Louis, Cincinnati and New Orleans pilot's association, to receive reports about condition of river, etc., has been removed to Brown & Jones's levee

The condition of the road has been somewhat improved, and in consideration of the difficulties under which the road has labored because of the epidemics, the management and operations have Leep encouraging and satisfactory to the stockholders. oad has met, and with promptness, all of its

obligations, and in every respect the management is an additional credit to the excellence and ability of its officers. Owing to the absence of a quorum the directors die not meet yesterday. The stockholders elected the following directors: H. S. M'Comb, F. M. White, General E. L. Walthall, J. W. Caldwell, General A. M. West, Colonel N. R. Sledge, General R. P. Neely, Colonel Nat

died this year. SEWEBAGE.

Meeting of the Special Committee of Fifteen Yesterday to Consider a Plan Whereby the Legislature Can be Informed What is Needed for Memphis.

Yesterday afternoon the committee apointed at the recent mass-meeting held on the bluff parade-ground, assembled at the rooms of the cotton exchange to consider the subject matter of the following solution, adopted at the mass-meeting of last Saturday night: Resolved, That a committee of fifteen be

appointed by the chair to devise and agree upon a plan, in conference with the National board of health, whereby the citizens of Memphis can suggest to the legislature whatever action may be necessary, looking to the improved sanitation of Memphis. The members of the committee present were as follows: Messrs. D. P. Hadden, F. S. Davis, Dr. E. M. Willett, W. R. Moore, John Johnson, John Gann, John R. Godwin,

W. P. Proudfit, W. G. Macrae, Colton Greene, A. S. Livermore and Minor Meri Mr. D. P. Hadden was called to the chair,

Mr. John Johnson spoke of the condition of specialty of the walk around school entitled the city. He advocated the building of sewmaps and data on hand for that purpose. Mrs. Rocco's saloon. The surviving mem- system of sanitary sewerage by vitrified —As a returned refugee said, yesterday, on the corner of Main and Madison streets: "I visited a degree cities this summer, but let me being the last celebration this year. The club-men will please bring their friends with said dollars. This will afford drainage and some for the city in accordance with the sewerage for the city in accordance with the

"Resolved, That the committee invite a conference with the sanitary experts and engineers of the National and State boards of health, who are to arrive here on Monday next, with the view of informing themselves as to the best methods of improving the sani-tary condition of Memphis before determining on a definite plan, and when that shall have been decided upon, with proper esti-mates of cost, then to ask the governor to convene the legislature to device means for

Dr. Willett made some remarks upon yelow-fever and advocated a system of sewerage, but he earnestly advocated that all privy vaults be cleaned out and the earth-closet system be temporarily substituted. Remarks were made by Mr. Minor Meriwether and W. P. Proudfit, and the commit tea meeting adjourned, subject to the call of the chairman, D. P. Hadden.

two days afterward. -Yesterday morning a fire broke out a the residence of Mr. Ike Chase, No. 54 Fifth street, Chelsea. The fire was caused by the dropping of a coal of fire on the carpet in one of the rooms by one of the children. few buckets of water and the assistance of the neighbors soon suppressed the flames be-fore any material damage resulted. -The Turkish Patrol is the latest musica

astern style of music is attractive and weird--There is trouble brewing in the medical camp over the recent action of Dr. Wight, of hattanooga, who is a member of the Stat poard of health, and who, as president of the Memphis delegation of experienced yellow-fever physicians who were instructed to present resolutions and propositions to that so ciety by the Shelby county medical society.

-The ginhouse on Mr. Enoch Ensley's clantation near the river, a few miles below the city, and between forty five and fifty hales of cotton in the seed were destroyed by fire on Monday night. The loss was between six and seven thousand dollars, upon which there was a risk of five thousand dollars in OLIVER, FINNIE & CO there was a risk of five thousand Murphy & Murphy's agencies. The cause of the fire was accidental. -The Louisville Courier Journal says: "The 'boom' in business on the Louisville and Nashville railroad still continues. The

and Nashville railroad still continues. The speed of freight trains has been doubled, and not a car is allowed to remain idle. Double forces, might and day, are kept at work load. forces, night and day, are kept at work load- much as to cause a delay of twenty-four ing and unloading. The receipts for No-vember will be far in excess of any month since the opening of the road." The boom has been caused by the hauling off of quarantine from the throat of Memphis. -At Wythe depot, yesterday morning, the steam cotton-gin of J. L. Cody was deof cotton contained therein, and a lot of bagging and ties. The gin was built two or three years ago at a cost of thirty-five hundred dollars. I was insured for two thou-

dred dollars in an open policy on the cotton.

The cotton belonged to different parties in the neighborhood, and will be almost or quite a total loss to them. The cause of the ire is unknown. -The bond of Solomon Vendig as assignee of the firm of Walker Brothers & Co, whole-sale dry goods merchants, was filed in the office of the county court clerk yesterday. The bond was for seventy-five thousand dol-Flour, Hominy, Grits, Etc.

The bond was for seventy-five thousand dollars, the amount supposed to be the value of the assets, goods and accounts of the firm. The bondsmen are S. Vendig as principal, and Wm. Frank, Soi. Halle, Leu Leubrie, Henry Frank, Samuel Hirsch and Henry Bejach as sureties. It is believed that a set thement with the creditors will be secured

within sixty days, and that the firm will be able to resume business. -The following business was transacted before the probate court yesterday, Judge Eldridge presiding: In the matter of the minor children of Henry Branoff an order was made putting the children in the custody appointed administratrix, with the will an-
